

### Cable Assemblies

- Available in Coax, Twinax and Triax cable types
- Available in TRB, TRT, TRS and TTM interfaces
- Straight or Right Angle connector orientation
- Various lengths measured in metric or imperial

### Adapters

- Available in between series and in series plugs or jacks
- Available in TRB, TRT, TRS, TTM, TRK, TRL, BNC, TNC and N type interfaces
- Right Angle, Straight, and T-Shape

### Connectors

- Tool crimp, wrench crimp or solder termination styles
- Available in TRB, TRT, TRS, TTM, TRK, TRL, BNC, TNC and N type interfaces
- Mil-PRF-49142 Qualified Parts List (QPL) offering
- Bulkhead, cable, feed-through, flange, front, patch panel, PCB, and rear mount styles
- Straight or Right Angle connector orientation

### Mil-Std-1553 Data Bus Connectivity

- Box Bus Couplers
- Cable Assemblies
- Connectors and Adapters
- RFI Caps and Terminators

### Terminations

- Available in TRB, TRT, TRS, TTM, TRK, TRL, BNC, TNC and N type interfaces
- Lead-free versions available in 78, 1000 and 3000 Ohm resistance values for TRB interface

### Patching Solutions

- Coax, Twinax and Triax connectivity
- Standard 19" and custom panels in various sizes and configurations
- Both bare and loaded panel options
- Patch cords and accessories
